

Together, we can save lives.

We're working to create a suicide-safer community.
You can too! Join us in September for...

NATIONAL SUICIDE PREVENTION MONTH

Donate and wear purple or teal or a purple and teal suicide prevention ribbon during the month of September. Purple and teal ribbons will be provided. Funds raised will benefit Contact Community Services. For over 50 years, Contact has provided a FREE, confidential 24/7 counseling and suicide prevention hotline for the Central New York community. To sign-up today use the QR code or visit: ContactSyracuse.org/PurpleandTeal
